Mount Kenya Academy prides itself on providing students with a strong foundation for a fulfilling and successful life. Our vision, to help nurture future generations of well balanced and morally grounded leaders, fills our campus with positive energy. When you visit you will find a community of friendly, hardworking people who care about each other, who are focused on discovering the world we live in, and thinking of ways to improve it.

The Mission of MKA is to provide the finest education possible for the future leaders of Africa by informing the mind, developing the body and enlightening the spirit. It intends to graduate scholars, artists, athletes and community leaders. The school prepares whole person for High School, University and for life in a supportive environment which values Christian principles. The vision is to build a leadership resource for Kenya and Africa for generations to come
