**MOUNT KENYA
ACADEMY**
NURTURING LEADERS

Providing the finest education possible
for future leaders by informing the mind,
developing the body, and enlightening the spirit.

Vision

To be a leadership resource center for Africa and beyond for generations to come.

Mission

To provide the finest education for future leaders by informing the mind, developing the body, and enlightening the spirit. We intend to graduate scholars, artists, athletes, and community leaders. The school nurtures the whole person in a supportive environment which values Christian principles.

Why choose MKA?

A Board of Directors comprising of a broad range of professionals who guide the competent School Management Team (SMT) on a regular basis on all aspects of strategic planning and good governance.

Qualified and experienced senior management and Teachers who are committed to their pupils. A good number of the staff have been teaching at MKA for long, ensuring essential continuity in the education process and an excellent basis of pastoral care.

Good academic results. Most of our pupils gain entry to their choice of School, College or University.

A Christian ethos in a multi-denominational environment, maintaining an important balance between pupils from various religions and cultural backgrounds.

A Pastoral care program, with emphasis placed on Personal, Social, Health and Economic Education (PSHEE). Community service projects, charity work and a flourishing President's Award Scheme.

A full-time School Chaplain as part of the pastoral support system within the school and Grace Chapel.

A learning Support Development (LSD) catering for pupils who have specific learning needs.

Climbing trips up Mount Kenya for all pupils during their last year at MKA.

A range of Sporting Facilities, including swimming pools, sports field for Rugby, Football, Volleyball, Handball and Athletics as well as modern Basketball and Tennis Courts. Opportunities abound for pupils to develop in all the above sports and others, including Golf. The Handball team participates in the Partille Handball Tournament in Sweden.

An established and renowned Music Department producing high calibre recitals and performances within and outside the school environs. Musical instruments taught include, Strings, Piano, Wind, Drums and Voice. Our music students sit practical and theory exams of the Associated Board of Royal Schools of music-ABRSM (UK).

Growing Art and Drama Departments which stage exhibitions and Productions respectively, in our Multi-purpose hall.

An extensive programme of field trips and social educational expeditions within Kenya, the East African region and Overseas including an exchange programme with Westminster school in the USA.

A relaxed and friendly atmosphere created by having a beautifully landscaped campus environment.

Fully equipped Biology, Chemistry, Physics, ICT/Computing, Coding & Robotics and Food Science Laboratories, an e-learning centre and an impressive Library facility including a dedicated careers section.

An active Parents' Advisory Committee (PAC) who liaise with the SMT.
